13	Oct. 11th	North Gaza (MURDER)	The ambulance was directly and deliberately targeted by two shells, which led to the complete destruction of the vehicle and the martyrdom of: Yousry Ayes Mahmoud Al-Masry - driver Khalil Rafiq Rizq Al-Sharif - EMT Member Ahmed Omar Ali Dahman - EMT Member	Attack on Crew Attack on Vehicle
14	Oct. 11th	Industrial City, Gaza	Coordination was made to allow a casualty to be treated via the International Committee of the Red Cross (ICRC). When the crew arrived at the case, she was dead, and they began working with the case according to the established protocol. The EMT member, Hatem Awad, was directly targeted by a bullet in the area below the left shoulder, directly towards the heart, which led to his immediate martyrdom.	Attack on Crew
15	Oct. 11th	Al-Quds Hospital	A civilian car was targeted in front of Al-Quds Hospital, <b>which resulted in a colleague being slightly injured by shrapnel to the face. The</b>	Indiscriminate Attack

			<b>targeting led to the breaking of a number of doors, windows, and glass.</b>	Attack on Crew  <b>FACILITY DAMAGE</b>
16	Oct. 11th	All Ambulance Centers in Gaza	The ambulance service's communication lines received many annoying calls, which aim to put pressure on the communication lines to disrupt the ambulance service in the Gaza Strip by occupying the communication lines for as long as possible, and the ambulance crews are subjected to insults by settlers.	Communication Disruption
17	Oct. 12th	Jabalia Refugee Camp	While an EMT member was dealing with an injured woman in a house that had been bombed, an unknown gas spread, causing the paramedic to suffocate and a sharp rise in body temperature, causing him to faint.	Attack on Crew
18	Oct. 12th	Al-Sabra	While heading to respond to a woman in labor in the Sabra area, nearby agricultural land <b>was targeted and the vehicle was hit by shrapnel that broke the rear window.</b> The crew withdrew from the area and were not harmed.	Attack on Vehicle
19	Oct. 13th 2023	Al-Amal	The occupation forces demanded the evacuation of Al-Amal hospital	Direct Attack
20	Oct. 13th 2023	Tal Al-Hawa	The continuous bombing in the vicinity of the ambulance and emergency building destroyed the communications services wire, leading to the interruption of service to citizens.	Communication Disruption  Indiscriminate Attack  <b>FACILITY DAMAGE</b>
21	Oct. 14th 2023	Al-Quds Hospital	The association received a threat from the occupation to bomb Al-Quds Hospital and pressure to immediately evacuate the hospital of the displaced and its workers.	Communication Disruption
22	Oct. 15th	Vicinity of the main headquarters - Tal Al-Hawa	A series of violent attacks caused damage to the association's buildings in Tal al-Hawa Shrapnel fell on the emergency entrance to Al-Quds Hospital, and the gases resulting from the shells spread, <b>which led to the suffocation of the displaced people and PRCS crews.</b>	Crew Harassment  Indiscriminate Attack  Attack on IDPs

				<b>FACILITY DAMAGE</b>
23	Oct 16th 2023	Tal Al-Hawa - Al-Quds Hospital, Gaza Ambulance Center	The violent bombing in the vicinity of the association's buildings caused multiple damage to a number of buildings, and the bombing continued for a long time, with an estimated 4 missiles every 5 minutes.	Indiscriminate Attack <b>FACILITY DAMAGE</b>
24	Oct. 18th 2023	Al- Quds Hospital	The hospital received numerous bomb threats and were told to evacuate the hospital	Communication Disruption
25	Oct. 20th	Al- Quds Hospital	The hospital received numerous bomb threats and were told to evacuate the hospital	Communication Disruption
26	Oct. 22nd	Jabalia Refugee Camp	While the crew of the ambulance vehicle were responding to injuries resulting from the targeting of the area, <b>the area was targeted again causing damage to the vehicle (the windshield was broken and the front and bumper of the vehicle were damaged.)</b>	Attack on Vehicle Indiscriminate Attack
27	Oct 22nd	Tal Al-Hawa - Al-Quds	The occupation forces targeted the vicinity of Al-Quds Hospital with violent raids at a distance of less than 20 metres, resulting in damage to the building.	Indiscriminate Attack <b>FACILITY DAMAGE</b>
28	Oct 23rd 2023	Tal Al-Hawa - Al-Quds	The occupation forces targeted Al Abraj Street with violent raids next to the ambulance building, resulting in damage to the building and difficulty in providing ambulance service to citizens.	Indiscriminate Attack <b>FACILITY DAMAGE</b>
29	Oct. 24th	Next to Al-Amal Hospital, Khan Younis	A group of attacks in the vicinity of the PRCS headquarters in Khan Yunis <b>caused a number of injuries among the displaced people inside the City of Hope, broken glass in the doors and facades of buildings, and a state of extreme panic and fear among the displaced people.</b>	Indiscriminate Attack Attack on IDPs <b>FACILITY DAMAGE</b>
30	Oct. 24th	North Gaza	While responding to many distress calls in the targeted areas, <b>the street leading to the site of the event was bombed, causing the ambulance vehicle to lose control, and collide with a wooden electricity pole, causing damage to the right side of the front of the vehicle and breaking the right-side lights.</b> The	Attack on Vehicle Indiscriminate Attack

			vehicle is still operational.	
31	Oct 24th 2023	Tal Al-Hawa - Al-Quds	The occupation forces renewed their bombardment of the vicinity of Al-Quds Hospital, which led to the shattering of glass and the injury of a number of displaced people inside the building.	Indiscriminate Attack Attack on IDPs <b>FACILITY DAMAGE</b>
32	Oct 24th 2023	Tal Al-Hawa - Al-Quds	The ongoing siege of Al-Quds Hospital led to the exhaustion of most medical equipment and supplies, with the inability to provide the hospital with the necessary equipment, which resulted in difficulty providing medical service to the displaced, sick and injured.	Direct Attack Attack on IDPs
33	Oct. 27th	Jabalia	While the ambulance vehicle was heading to respond to distress calls due to the targeting of an inhabited house, and while evacuating the injured, <b>the same place was targeted again, which led to a shrapnel hitting and breaking the windshield.</b>	Attack on Vehicle Indiscriminate Attack
34	Oct 27th 2023	Tal Al-Hawa Gaza operations room	The occupation authorities completely cut off landline, cellular, and Internet communications networks. This affected the central communication service 101 and hindered the arrival of ambulances to the injured and wounded.	Communication Disruption
35	Oct 28th	Tal Al-Hawa - Al-Quds Hospital, Gaza Ambulance Centre	Violent bombing was repeated in the vicinity of Al-Quds Hospital and the Gaza Ambulance Center, resulting in additional damage to the Al-Quds Hospital building, the administrative building, and the ambulance building	Indiscriminate Attack <b>FACILITY DAMAGE</b>
36	Oct. 29th	Vicinity of Al-Quds Hospital, Tal Al-Hawa	After the PRCS administration in the southern governorates received clear and explicit threats about the necessity of evacuating the association's headquarters building and Al-Quds Hospital in the Tal al-Hawa neighbourhood, west of Gaza, and evacuating the 14,000 patients and displaced persons from them, the occupation forces targeted several residential buildings adjacent to the hospital from the eastern side, at separate intervals. The most dangerous of these occurred at 17:00, when a tower adjacent to the building and close to the	Direct Attack Attack on IDPs <b>FACILITY DAMAGE</b>

			<p>maintenance room was targeted. This bombing led to the shattering of the remaining glass, the fall of the suspended ceiling in the hospital, and the scattering of dust inside the headquarters</p>	
37	Oct 29th	Tal Al-Hawa - Al-Quds Hospital	<p>Several residential buildings in the vicinity of Al-Quds Hospital were bombed, resulting in damage to the hospital buildings, further the displaced people and crews were exposed to suffocation</p>	<p>Indiscriminate Attack</p> <p>Attack on Crew</p> <p>Attack on IDPs</p> <p><b>FACILITY DAMAGE</b></p>
38	Oct. 30th	Jabalia Refugee Camp	<p>After an ambulance completed its mission to transport a maternity case to the hospital, and on the way back to the ambulance station in northern Gaza near the Abu Qamar station, a <b>house was targeted while the vehicle was passing by, causing stones and shrapnel to fall on the vehicle and its crew, which resulted in severe damage to the vehicle and injuries to the crew (2 EMTs).</b></p>	<p>Attack on Vehicle</p> <p>Indiscriminate Attack</p> <p>Attack on Crew</p>
39	Oct. 30th	Tal Al-Hawa - the vicinity of PRCS main warehouses	<p>The occupation forces launched several violent raids and intense shelling targeting buildings and residential towers in the vicinity of Ambulance Building 101 and the Main Warehouse Building, <b>which led to the shattering of the buildings' windows and the destruction of the doors and facades of the warehouses.</b></p>	<p>Indiscriminate Attack</p> <p><b>FACILITY DAMAGE</b></p>
40	Oct 31st	Tal Al-Hawa - Al-Quds Hospital	<p>As the bombing continued in the vicinity of Al-Quds Hospital, the building was exposed to multiple damages, such as shattered glass and broken facades and doors.</p>	<p>Indiscriminate Attack</p> <p><b>FACILITY DAMAGE</b></p>
