

Monthly Report

Humanitarian Response

February 2025

Gaza

Strip

The situation in the PRCs's branches in Gaza.

- The teams participated in the medical evacuation of dozens of sick and wounded in need of specialized treatment abroad, in coordination with the World Health Organization and other international organizations.
- Two ambulances were stationed inside the Rafah crossing to facilitate the medical evacuation to the Egyptian side.
- The teams participated in retrieving the martyrs' bodies from the streets and destroyed homes, in coordination with various specialized authorities.
- The EMS centers in the Rafah and North Gaza governorates were reopened after being forcibly shut down.
- The teams continued cleaning and repairing the Al Quds Hospital in Gaza governorate in preparation for its reopening after being out of service since 14/11/2023.

Health

Emergency Medical Services

- The teams evacuated (316) martyrs. They also transferred around (22) decomposed bodies.
- They provided first aid services to approximately (4,805) cases, including injuries from shelling and emergency medical conditions.
- The teams conducted (2) first aid training courses for about (51) individuals, including (29) females. One course was held at the PRCS's branch in Khan Younis for a group of volunteers. The second course was held in cooperation with the ICRC targeting (18) of PRCS medics.
- The teams assisted in the medical evacuation of (411) patients and injured through Rafah crossing point in coordination with the WHO.
